BALMORAL MONTHLY NEWSLETTER – NOVEMBER/DECEMBER 2021

Message from the Principal

Dear Parents/Guardians and Balmoral Girls

And so we have come to end of another exceptionally busy year!

I am quite certain that your daughter's are enjoying every minute of being on holiday and being able to relax.

A number of internal staff changes have been made and I encourage you to familiarise yourselves with the new staff positions for 2022 included in the newsletter.

Covid number's are unfortunately on the rise once again and I encourage all our pupils to be cautious during the holiday period.

Our well wishes accompany all our staff leaving. We bid farewell to them at our Prize Givings/Staff function and our very best accompanies them in this new stage in their lives.

Wishing you and your families a blessed festive season. Enjoy special family time together and cherish the special moments.

"Let all the failures of your past year be your best guide in the New Year"
